## Shave Ice Attachment

4.7 (150) | **Model:** KSMSIA

Shave Ice is no ordinary frozen treat. Traditionally made by shaving large blocks of ice, its texture is light & fluffy - unlike the hard and crunchy snow cone. With the KitchenAid® Shave Ice Attachment it's so easy to create light, fluffy and snow-like shaved ice to elevate a variety of desserts and drinks. And the customization options are endless - freeze and shave, a fine or coarse texture, of freshwater, juice, coffee and milk or dairy. Then, surprise and delight everyone by offering a variety of syrups, sauces and toppings to finish the dish and make each creation your very own.
