Dishwasher Drain Hose Extension

4.6 (46) | Model: 8269144A

Dishwasher Drain Hose Extension

This Dishwasher Drain Hose Extension sends waste water from the drain hose loop to the house drain during your appliance's operation. This accessory is compatible with most dishwasher brands and models and will be needed if your appliance is more than the standard distance away from the house drain; check to see if your model number is compatible. Installing this accessory will require basic hand tools, some disassembly of the appliance and novice repair experience. You must unplug the appliance or shut off the house circuit breaker before installing this accessory. Also make sure you turn off the water supply under the sink. Helpful Tip: We also recommend using affresh® Dishwasher Cleaner (item W10282479) once a month or as needed, to help remove limescale and mineral buildup that can affect your dishwasher's performance. *affresh® brand products are owned and distributed by Whirlpool Corporation.

Dishwasher Water Supply Hose Kit

0.0 (0) | Model: 4396897RW

Dishwasher Water Supply Hose Kit

This Dishwasher Water Supply Hose Kit connects the dishwasher to the house water supply. This is a universal part that can be used across several brands; check to see if your model number is compatible. The kit includes (1) 6' industrial-grade nylon braided hose with standard connection and brass elbow. Installing this accessory will require basic hand tools, some disassembly of the dishwasher and novice repair experience. You must unplug the dishwasher or shut off the house circuit breaker for the appliance before installing this part. Also make sure you turn off the water supply. Helpful Tip: We also recommend using affresh® Dishwasher Cleaner* (item W10282479) to help remove limescale and mineral build-up that can be unsightly and affect your dishwasher's performance. *affresh® brand products are owned and distributed by Whirlpool Corporation.
